

# imageCLASS® D780/D760

Personal Digital Copier | Printer | Fax (D780)

## Performance & Speed For the Workplace

- Up to 16 cpm (letter)
- 30-sheet Automatic Document Feeder
- 16 ppm quality laser printing
- 33.6 Kbps Super G3 Fax (D780)
- 500-sheet paper cassette
- Single Cartridge System
- Optional network capability

The new imageCLASS® D780 and imageCLASS® D760 maintain Canon's outstanding reputation for quality and reliability in copying and printing.

The Canon imageCLASS D780 and imageCLASS D760 digital copier/printer, are intended for businesses that need a robust copier with maintenance-free performance. The copier features Canon's exclusive Single Cartridge System, which contains the drum, development unit and toner in one easily replaceable cartridge. A 30-sheet Automatic Document Feeder can accept originals up to legal size and reproduce letter-size documents at 16 copies-per-minute (cpm) and legal size documents at 12 cpm. Digital technology, through the touch of a single button, facilitates collating of multi-page documents.

The imageCLASS D780 and imageCLASS D760 both feature Canon's Advanced Printing Technology (CAPT) for high-quality laser prints with a resolution of 600 x 600 dpi. For added flexibility and user convenience, both support parallel and USB interfaces. They offer fast, efficient paper handling through a 500-sheet front-loading paper cassette and a 100-sheet multi-purpose tray, which accepts a variety of media, including bond, plain and color paper, transparencies, labels and envelopes, for easy, no-worry operation.

The imageCLASS D780 incorporates a Super G3 fax with all the features you need in a busy office.

For adding network printing capability in your office, an optional network interface is available.

## Technical Information\*
