

# F-98

## Basics & Beyond

The F-98 offers a reliable range of fax, printing and security functions.

### Key Specifications:

- ✧ 14.4 Kbps fax modem
- ✧ 30 sheet automatic document feeder
- ✧ 72 hour document memory back-up
- ✧ 130 number autodialer
- ✧ Passcode protection and PIN masking
- ✧ 650 sheet paper capacity

# Features & Benefits

## 14.4 Kbps fax performance

- Transmit and receive faxes quickly and efficiently

## Simple, no-mess toner change system

- Keep toner in the machine, not on your clothes, with the *Easy Change<sup>SM</sup>* toner system

## Security and cost-control measures

- Utilize passcode protection, PIN masking and secure document transmission/ reception to keep documents confidential and control user access

## Standard printing and scanning port\*

- Consolidate your printing, faxing and scanning needs into a single desktop solution

## 30 sheet automatic document feeder

- Large enough for moderate size fax or scanning applications

## EnergyStar compliant

- Responsible energy use equals longer machine life and lower electricity bills

## EasyStart™ guided set-up

- Upon initial start-up the unit will quickly assist you in programming features and functions to minimize downtime

## 130 number autodialer

- 30 one-touch numbers and 100 speed-dial codes insure fast and accurate transmissions to key contacts

## Utilize multiple paper sizes

- Prints on most formats utilized in today's office including letter and legal

## Embedded Muratec technology

- Proprietary Muratec technology such as FaxRISC™ and ImageLSI™ increase machine speed and performance while improving the copy resolution of printed documents
